This survey is part of the 2012 HIV/AIDS Needs Assessment, co-sponsored by: the San Diego HIV Planning Council; the HIV Prevention Community Planning Board; HIV Housing Committee; HIV Care Partnership for Women, Children, Adolescents, and Families; the County HIV, STD & Hepatitis Branch; and County Alcohol & Drug Services. Over 100 local organizations, service providers and individuals, including people living with HIV/AIDS, are involved with this survey. We are committed to supporting the health and improving the quality of life of all persons living with HIV/AIDS. Your response will help to prioritize the most urgent uses of public Ryan White and HIV Prevention funds.
